

Robot®

Powerful suction
delivering premium
performance.

e5

Roomba®
Robot Vacuum

Powerful pick-up for a deeper clean

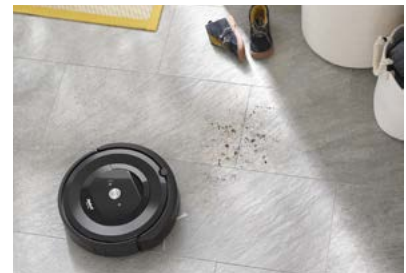

Uses 5x the suction* to clean
embedded dirt, debris, and pet
hair from your floors

*Compared to Roomba® 600 Series AeroVac™ System

Intelligently navigates your home

A full suite of intelligent sensors guide
the robot under and around furniture
to help thoroughly clean your floors

Dirt Detect™ Technology

Dirt Detect™ Sensors alert the Roomba®
robot vacuum to work harder on
concentrated areas of dirt such as high
traffic zones of your home

With 25 years of robotic expertise and continuous innovation, iRobot® has optimized our Roomba® robot vacuum to help thoroughly clean floors in homes around the world.

Roomba® e5 features:

Power-Lifting Suction

Delivers up to 5X the suction* for improved cleaning performance.

Intelligently navigates your home

A full suite of intelligent sensors guide the robot under and around furniture to help thoroughly clean your floors.

Dirt Detect™ Technology

The robot will recognize and focus on high traffic areas where dirt collects.

Dual Multi-Surface Rubber Brushes

Dual Multi-Surface Brushes are uniquely designed with rubber treads to hug different floor surfaces, helping to thoroughly clean your floors.

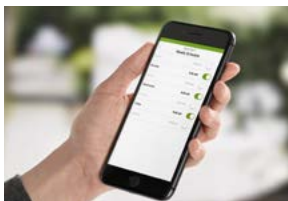

A clean you can see and feel, every day

The 3-Stage Cleaning System attacks everything from small particles to large debris on your carpets and hard floors.

Take cleaning to the edge

The specially-designed Edge-Sweeping Brush sweeps debris from along wall edges and corners.

Control from your smart phone

Control and schedule cleanings on your Wi-Fi® connected Roomba® robot vacuum with the iRobot HOME App. You can monitor cleaning activity, view cleaning history, and watch maintenance videos.
